WELLNESS PROGRAM AT TERME ČATEŽ

Special massages and relaxation programmes

HIT

LUXURIOUS REJUVENATING TREATMENT WITH PURE 24 CARAT GOLD (60 mins)

A royal experience, after which your skin will shine with a stunning, visibly rejuvenated appearance.

Gold, in combination with soy isoflavones, significantly improves skin tone, reduces wrinkles and slows down the formation of new ones.

HIT

REVITALISATION WITH PURE OXYGEN FOR ALL SKIN TYPES (60 mins)

The treatment significantly increases the skin's oxygen supply, while also stimulating its detoxification and strengthening its potential for optimal skin cell functions.

After the treatment, your skin will be rested, rosy and visibly rejuvenated.

WELLNESS PROGRAM AT TERME ČATEŽ

Special massages and relaxation programmes

Recommended for you!

FOOT REFLEXOLOGY (40 mins)

By applying pressure to the acupressure points of the foot, we promote the natural process of healing and relaxation.

MANUAL LYMPHATIC DRAINAGE - partial (40 mins)

By stimulating the lymphatic system, we accelerate the removal of waste products and excess fluid from the body. It is also effective in eliminating cellulite. Recommended for pregnant women.

SPA MASSAGE (50 mins)

In addition to relaxing and invigorating the body, it also has a beneficial effect on blood circulation and muscles, and relieves pain in the lumbar, thoracic, and cervical part of the spine.

Leg, back and arm massage with almond oil.

INDIAN MASSAGE (50 mins)

Relaxing leg, back, arm and abdominal massage with lavender oil.

MAGIC TOUCH (40 mins)

Relaxing back, neck, décolletage and facial massage with essential oils.

BODY AROMA MASSAGE (60 mins)

The experience includes a soothing massage of the whole body with different aromatic balms. It improves general well-being and blood circulation.

WELLNESS EXPERIENCE (60mins)

Massage with warm rosemary oil that relaxes the muscles and accelerates blood circulation throughout the body.

AFRODITA PAMPERING FOR PREGNANT WOMEN (60 mins)

A special massage technique to relieve neck, spine and hip pain, maintain proper posture and ensure better blood circulation in the arms and legs
